

## CLEVELAND Medical Mart and Convention Center:

Cleveland has officially broken ground for its new Convention Center and Medical Mart. Slated for completion in 2013, the state-of-the-art facility will be high tech, LEED certified and will offer stunning views of Lake Erie.

- 230,000 sq. ft. main exhibition hall
- 60,000 sq. ft. of flexible meeting rooms
- 30,000 sq. ft. Grand Ballroom
- 230,000 sq. ft. Medical Mart showrooms

## Hotel ROOMS:

- 15 major hotels (totaling more than 4,000 rooms) within walking distance of the Convention Center
- 22,000 hotel rooms citywide

## Other MEETING FACILITIES include:

- The International Exposition (I-X) Center, one of the largest single building expo centers in the world with 1.6 million sq. ft. of exhibit space and 10,000 parking spots
- The Convention Center at Kalahari Resorts, featuring 100,000 sq. ft. of event space
- Quicken Loans Arena, home to the Cleveland Cavaliers
- Cleveland Browns Stadium
- The Rock and Roll Hall of Fame and Museum
- Wolstein Center at Cleveland State University

## POSITIVELY CLEVELAND is Award-Winning

Winner of the 2010 Gold Service Award from *Meetings & Conventions* magazine, the 2009 *Facilities & Destinations* — Top Destination Award, the Award of Excellence for Outstanding Service to the Meetings and Incentive Travel Industry from *Corporate and Incentive Travel Magazine*, and the prestigious *Successful Meetings* magazine Pinnacle Award for the 18th year in a row.

## MEET Green, PLAY Green, STAY Green,

People are starting to take notice of the city's green efforts. Cleveland ranked #16 in the SustainLane 2008 US City Rankings of the 50 most populous cities, the nation's most complete report card on urban sustainability. Plus MSN.com recently featured Cleveland as one of "12 unexpected urban areas that are doing good green stuff" (noting this as home to a surprisingly forward-looking sustainability subculture) and *Green Lodging News* recently ran an article about our hotels' sustainability efforts.

UNEXPECTEDLY

# CLEVELAND PLUS

C

onveniently located within 500 miles of 43% of the US population, Cleveland is an easy city to access and navigate. Visitors can cruise the crooked river at sunset, meet celeb chefs, tee off on one of 100+ golf courses, take center stage at the largest performing arts center outside of New York City and discover their inner rock star at the one and only Rock and Roll Hall of Fame and Museum.

With world-class hotels below competitor's rates, give your group the big city experience without the big city prices and discover the unexpected value of Cleveland Plus.

#### CLEVELAND at a Glance:

- Cleveland Hopkins International Airport (CLE) handles more than 325 daily nonstop flights to more than 85 destinations, and is the third largest hub for Continental Airlines.
- 15 minute travel time from the airport to downtown Cleveland
- Restaurants and attractions are within close proximity to downtown hotels, making Cleveland a walkable city. Free trolley rides are also available.
